

Getting the bus

Sometimes I need to get the bus to go to school

or to visit places. To get on the bus, I have to go to the

bus stop. When I get the bus, I have to wait for

the correct number bus that goes to where I am

going.

Sometimes the bus might be early and I might

miss the bus. Sometimes the bus might be late and

I will have to wait for it. This is ok. I will wait for the

bus to arrive at the bus stop.

When I see the correct bus that I need to

get on, I will put my hand out to show the bus driver

I want to get on the bus.

When the bus driver stops the bus at the bus stop, I can

get on the bus. I will tap my travel card onto the

card reader. Sometimes I may need to ask for help. This

is ok. I can ask the bus driver for help.

Next I will find a seat to sit in. This might be

upstairs if the bus is a double decker.

I will watch and listen for my bus stop.

I

will

press the bell

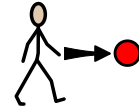

when

the

bus

is

approaching my

bus stop.

When the

bus

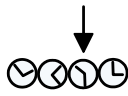

stops

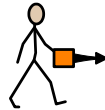

will

get off the bus.

Sometimes

when

taking

public transport

there

can

be

unexpected

changes:

- The bus is delayed

- The bus is cancelled

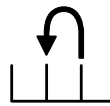

- The bus stop is closed

- The bus is on diversion

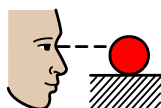

- The bus terminates before your bus stop

This is ok.

I can

look at

my travel

help card.
