### Is my child too ill to attend school?

It can be tricky deciding whether or not to keep your child off school when they are unwell. The NHS has set up a very helpful page that gives clear and concise guidance on what parents should do when their child is unwell, with some of the most common childhood ailments, including Covid 19.

Please have a read of the guidance here:

[www.nhs.uk/live-well/is-my-child-too-ill-for-school/Please](https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/Please)

Remember to notify the school of student absence no later than 9am each morning. You can do this by calling the school on 0208 985 4245 and select Option 1.

Can you, your business or employer donate something for the Winter Fair?  
In the past, we have received things like a PlayStation, iPad, free haircuts, cakes, garden design, clothes, tickets to shows or subscriptions, vouchers etc.

How you can help...

You can help by asking your local businesses for donations. You can run your own stall or even help with setting up or cleaning up at the end.

If you run your own small business or have a crafty talent, you may want to rent a stall. This would come at a cost of £10 which will go towards the school fund and any profits made will be yours to keep.

Please indicate if you would like to rent a stall by clicking on the link and completing the form: <https://forms.office.com/r/KWV2rkGu23z>  
Once the form has been submitted, we will get in touch with further information.

## Developmental Language Disorder (DLD) Awareness Day

Developmental Language Disorder (DLD) is a diagnosis given by Speech and Language Therapists when a child, young person or adult has on-going difficulties using and/or understand language.

DLD is 'hidden' and affects approximately 2 children in every classroom impacting on literacy, learning, friendships and emotional well-being.

Each year, there is an awareness day for DLD and this years theme was DLD around the world! The theme was to highlight that DLD affects people around the world, regardless of their age, gender, languages spoken or ethnicity.

To celebrate and raise awareness of DLD, the Speech and Language Therapists at Stormont House School held a stall where students were encouraged to read facts about DLD and put the country on the map! To find out more about DLD, please visit: [RADLD - Raising Awareness of Developmental Language Disorder - RADLD](http://www.radld.org) or contact the Speech and Language Therapy team.

One of our Alumni, Lily Mills, has already achieved so much in the Tennis world. Lily has won gold medals at the Learning Disability National Championships 2016 and 2017, and in 2019 she was selected to be part of the Special Olympics GB Team that travelled to Abu Dhabi for the World Games where she came home with two gold medals.

Lily has now be selected to compete in the Australian Open's Person with an Intellectual Impairment Championship in January 2024. In order to attend this competition Lily needs a little help. She has set up a GoFundMe page and any donations would be very appreciated.

If you would like to support Lily please do so by clicking on this link below [www.gofundme.com/f/get-lily-to-the-melbourne-championships-2024](http://www.gofundme.com/f/get-lily-to-the-melbourne-championships-2024)
