Welfare Officer  
DROP-IN  
sessions for  
Parents**

**22.02.2024**

# STORMONT HOUSE SCHOOL MATTERS

Dear Parents and Carers,

In the first week of March Network Rail will begin remedial works on the railway bridge at the intersection of Bodney Rd and Downs Park Rd. The railway bridge dates back to the 1870s and is now needing to be replaced, a project that is expected to last from March to December. From the first week of March, the intersection of Bodney Rd and Downs Park Rd will be closed to all vehicles, so vehicles will need to approach Stormont House School from the West (Amhurst Rd end of Downs Park Rd). They will then need to turn around and exit via Amhurst Rd. From March to July pedestrians and cyclists will still have their usual access to Stormont House School from all directions. Traffic marshals will be on-site all day to assist with traffic and pedestrian flow, and we are working closely with transport providers to ensure the continued smooth transportation of pupils to and from school during this period. We will keep everyone updated as we get closer to March, and throughout the project.

**ROAD  
CLOSED**

# STORMONT HOUSE SCHOOL MATTERS

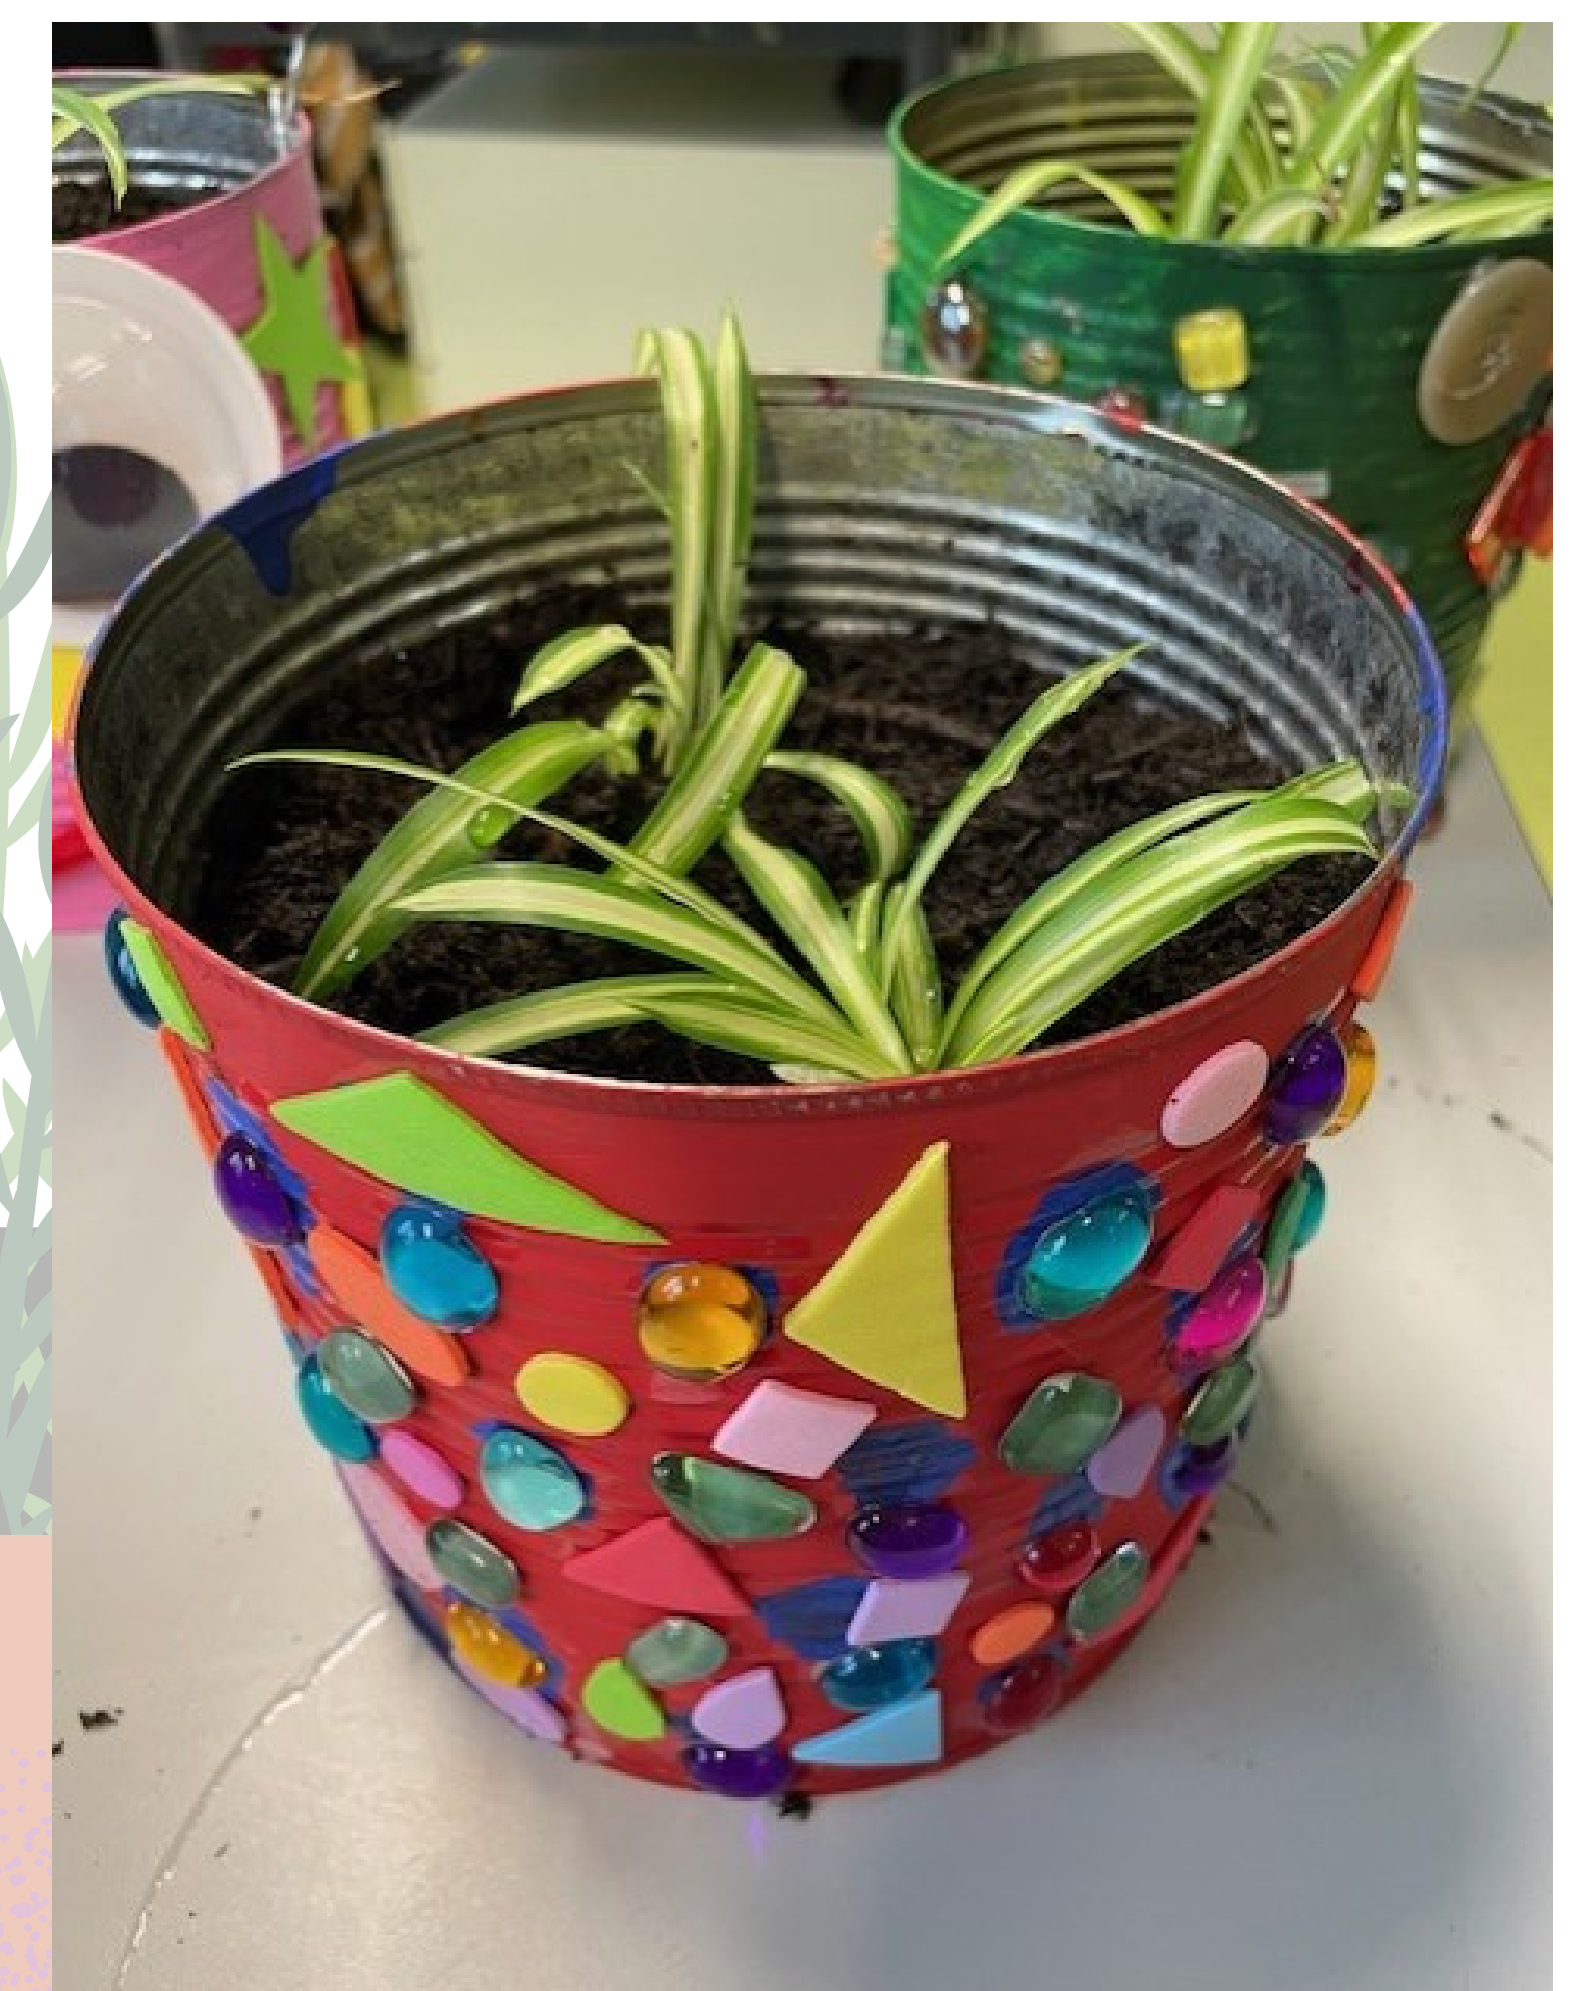

## IN EXPRESSIVE ARTS

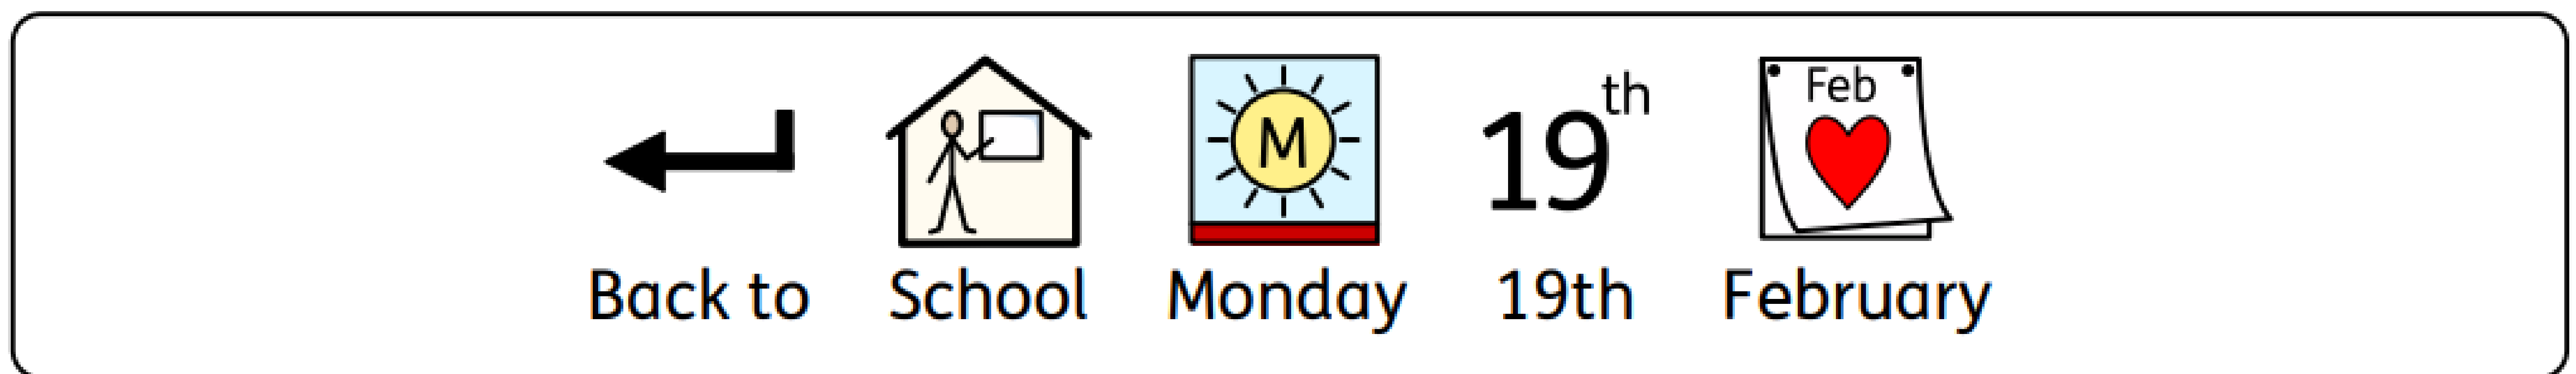

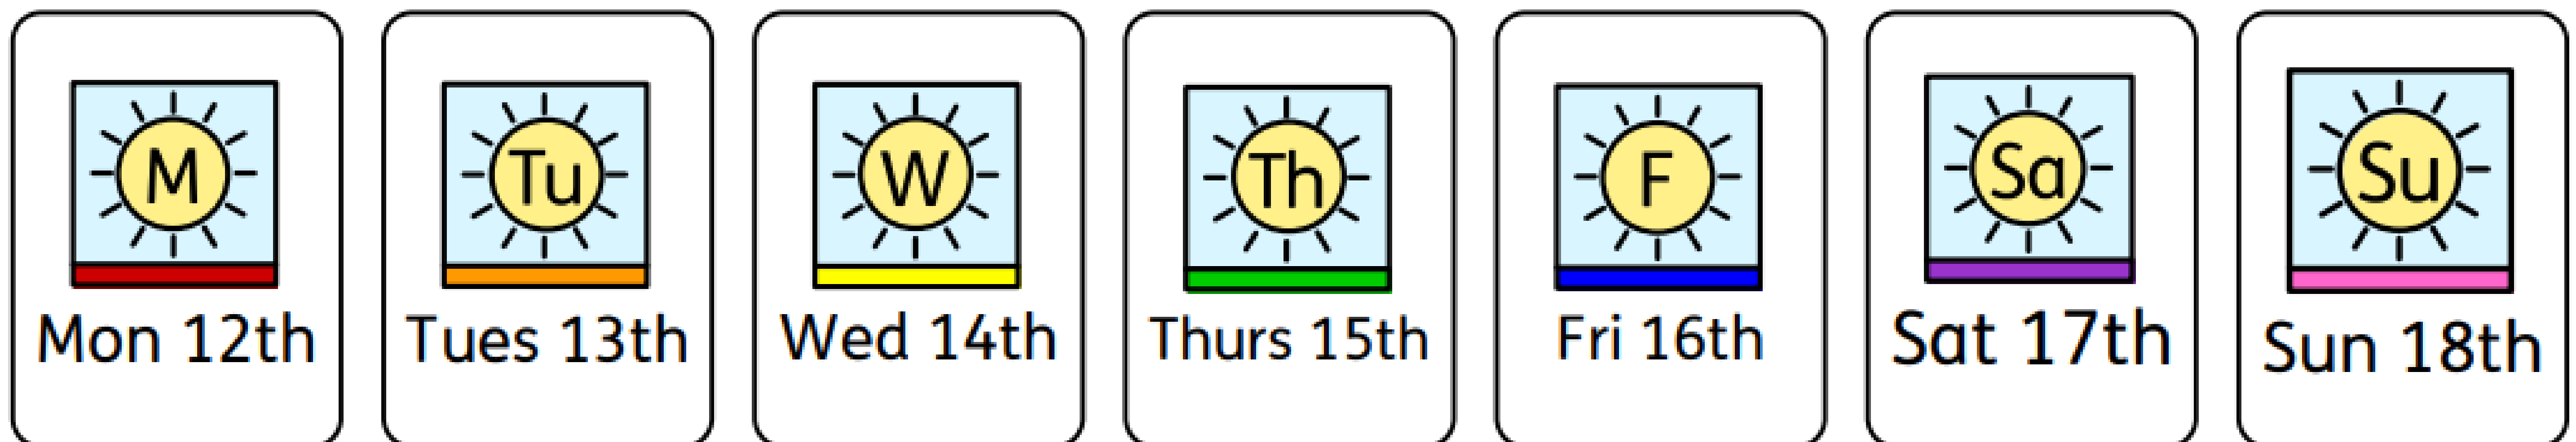

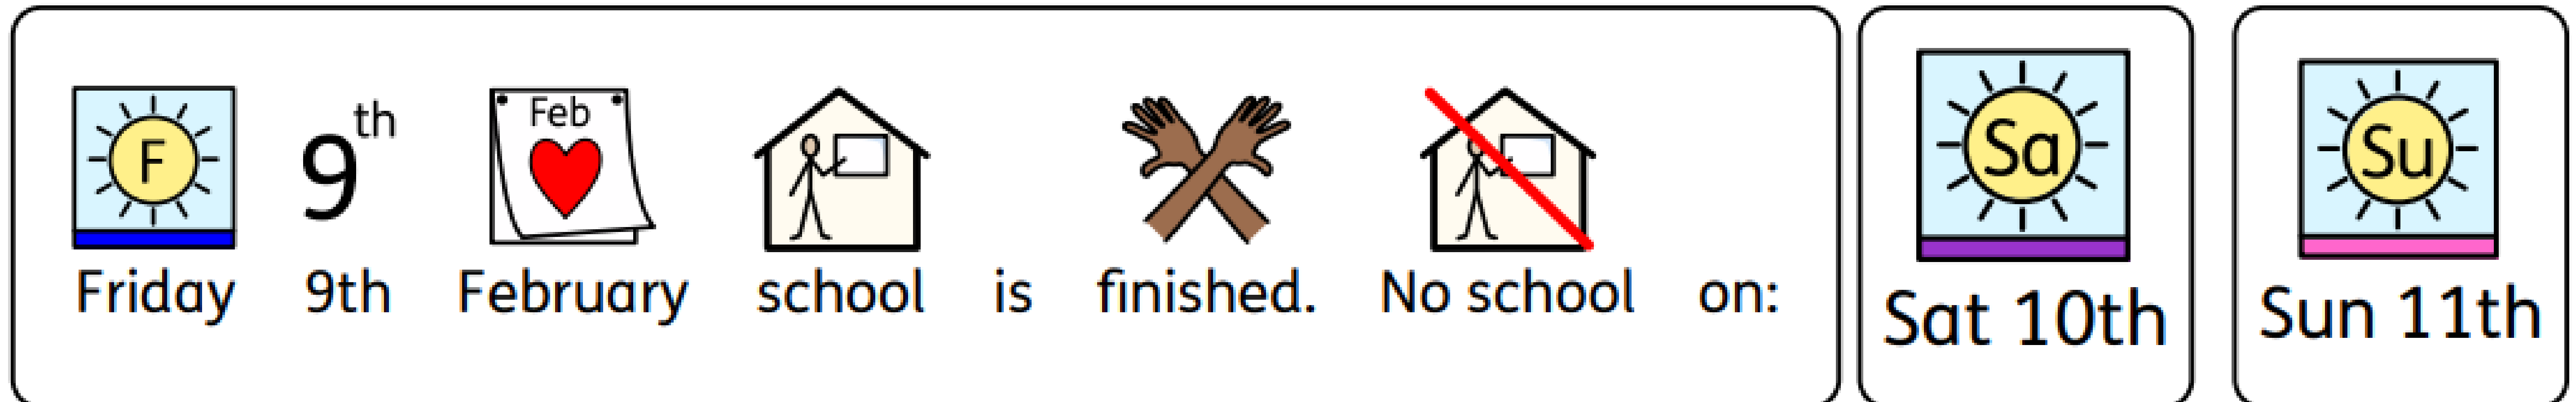

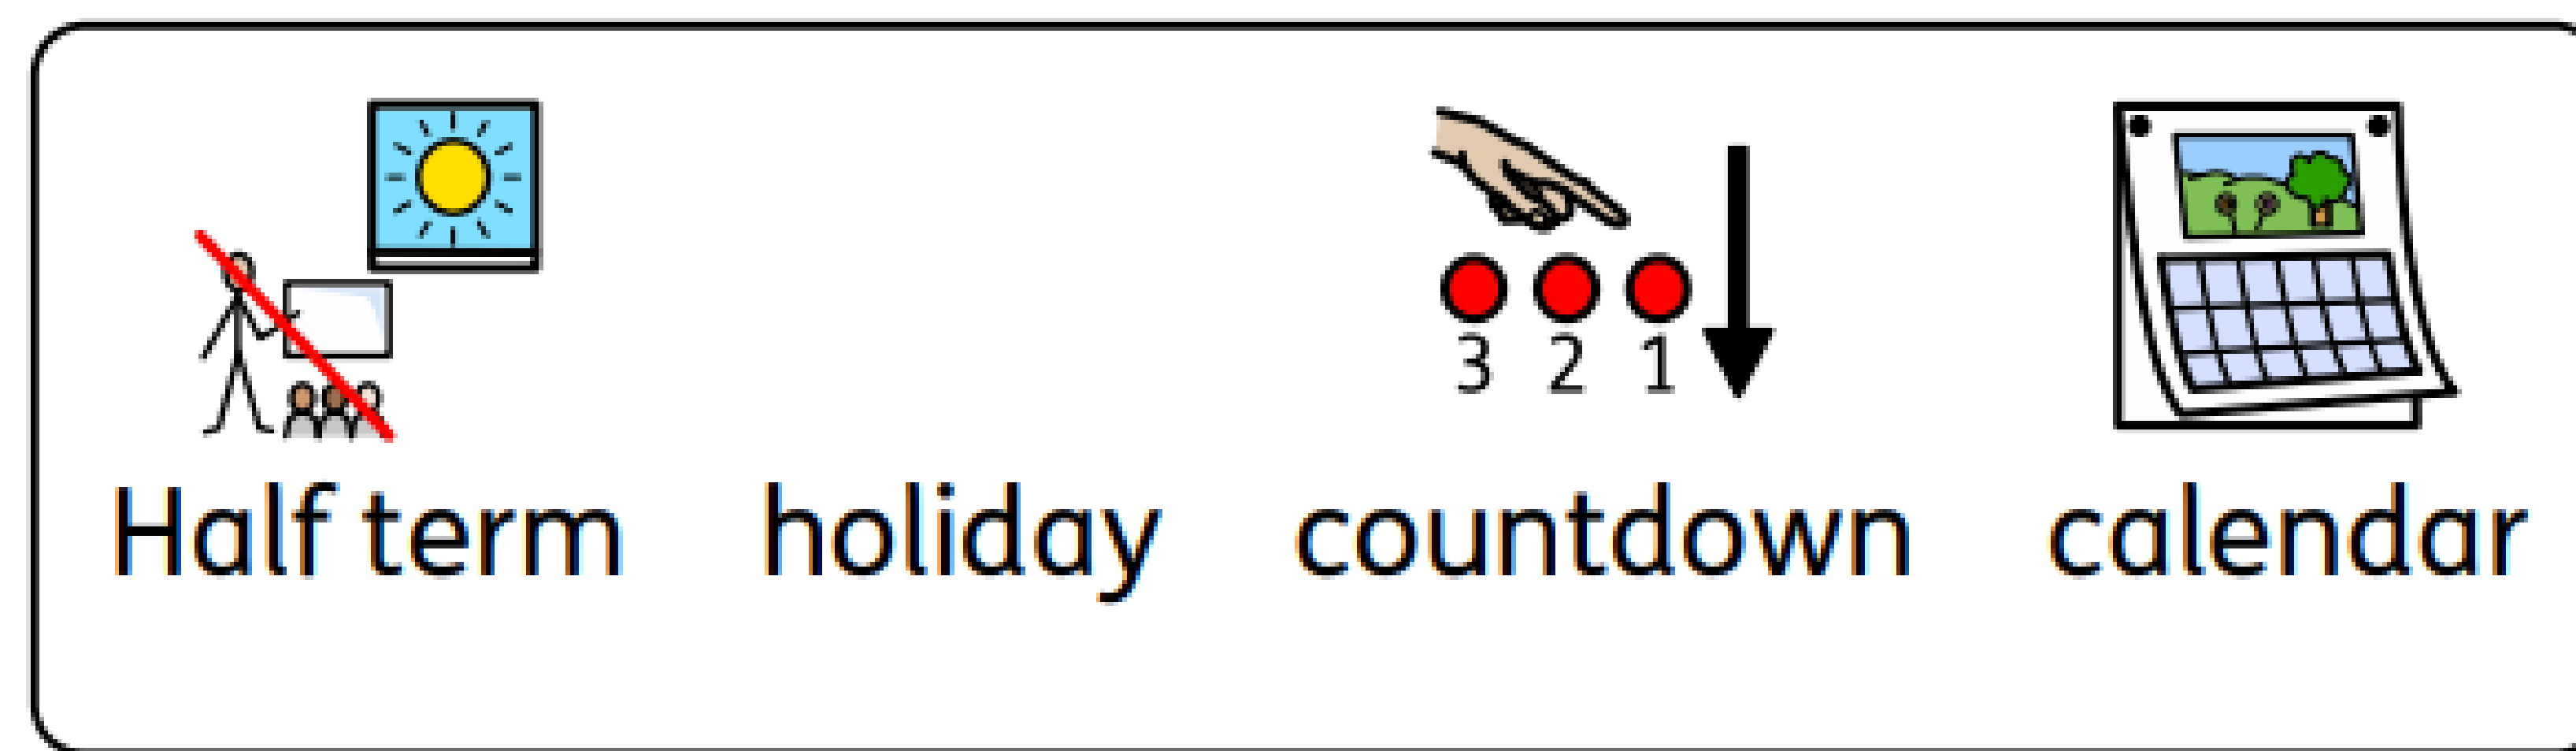

The Upcycling Expressive Arts group are now completing their first project! They have created colourful and creative planters using empty tin cans from the kitchen! Students have used left over craft materials from previous projects and paint to create these fantastic pots. Baby spider plant cuttings were taken from plants in the Art Department and planted into their creations. These will be going home with the students soon!

Well done everyone!
