WINTER FAIR

DONATIONS

Dear Parent / Carer,

Can you, your business or employer donate something for the Winter Fair?

In the past, we have received things like a PlayStation, iPad, free haircuts, cakes, garden design, clothes, tickets to shows or subscriptions, vouchers etc.

How you can help...

You can help by asking your local businesses for donations. You can run your own stall or even help with setting up or cleaning up at the end.

If you run your own small business or have a crafty talent, you may want to rent a stall. This would come at a cost of £10 which will go towards the school fund and any profits made will be yours to keep.

Please indicate if you would like to rent a stall by clicking on the link and completing the form: <https://forms.office.com/r/KW2rkGu23z>

Once the form has been submitted, we will get in touch with further information.

October 2023

April Plummer

April can be described as a quiet achiever. In class she works hard, shows excellent behaviour and achieves all of her ticks every week. She is a good friend who can be relied on to help others and be supportive.

At the last residential April showed good leadership qualities and pushed herself to complete very difficult challenges.

She has represented the school in many sporting competitions, winning medals in football, rowing and swimming.

Outside of school she is actively involved in the community and donates food to the local food bank.

November 2023

Abdul Aziz Nunow

Since starting in Year 12, Abdul Aziz attends Stormont House School only one day per week, with the other four days spent at the Harington Scheme.

Abdul Aziz is doing an excellent job and he is to be commended for the smooth transition he has made to both places. At school, he interacts well with his classmates; he is focused and picks up quickly where he left off in the previous week. He works independently and seeks support only when it is required.

At the Harington Scheme, Abdul Aziz is very happy, hard-working, and helpful, keen to learn many new skills – he has impressed his Tutors so much that he has advanced to the next stage in under a term.

Abdul Aziz embodies the Jack Petchey spirit because of the way he puts in the effort and does his best at all times. We can see his social skills developing and self-belief growing. He feels positive about his future and it's a lovely to know he feels this way.
