Holiday Countdown Calendar: How to use.

This calendar can help your child understand how long the holidays lasts for and when they need to come back to school. It can help your child settle back into school quickly as they are prepared for starting school again.

How to use the calendar:

1. Show your child the calendar and say 'today there is no school'. Point to the pictures whilst you do this.
2. Encourage your child to cross off the calendar each day.
3. Remind your child there is no school tomorrow by saying 'tomorrow there is no school'.
4. On Sunday say 'today there is no school, tomorrow you go back to school'.

ACHIEVEMENT FOR ALL IN A UNIQUE WORLD-CLASS SCHOOL

School Uniform

School uniform is compulsory for all students in Years 7-11. Sixth Form Students have their own smart dress code (see Sixth Form Prospectus). We have tried to make our school uniform as simple and as affordable as possible. Please make sure your child's name is on water bottles, bags, pencil cases and the labels of all clothing so they can be returned if mislaid.

Schools Jumpers and Sweatshirts

All students should wear the dark green (bottle green) jumper or sweatshirt with our school logo. These can be ordered from www.myclothing.com. Current prices for sweatshirts and jumpers start at £10.30 including the cost of the logo.

All other uniform is plain/ unbranded

All other uniform has been kept as simple (and economical) as possible:

- White school shirt or plain white polo shirt
- Dark grey school trousers or skirt
- Black shoes (not trainers)

These can be bought in clothes departments of larger supermarkets or department stores, for example Matalan, Asda, Tesco, Sainsbury, M&S. By choosing generic trousers / skirts / shirts and polo shirts, we have ensured a reasonable price for all items. A plain black headscarf may be worn.

For PE:

- Plain white T-Shirt
- Plain Black or dark grey tracksuit/ jogging bottoms
- Plain black trainers
- In Year 8, students will also need swimming goggles (if worn) and swimming costume/trunks

11H VOLUNTEER IT YOURSELF

11H have worked with Volunteer It Yourself who offer free work experience and volunteering opportunities to young people aged 14-24 by challenging them to learn construction trade skills and boost their employability, whilst helping to transform local community places and spaces in need of essential improvements.

Young people are mentored onsite by professional tradespeople. As you can see, 11H did a fantastic job and 11W will get a chance to do the same in a couple of weeks. The students put in a lot of hard work and did a fantastic job. The tradespeople who worked with the students said they were very impressed!

10B Visit the Aquarium

10B went to the London Aquarium as part of their Preparing for Adulthood and PSD curriculum. Students were learning about 'Planning for new situations' so they planned their route, learned about booking tickets and researched what they could do at the attraction they chose to visit. The students loved the Aquarium and showed great PfA skills whilst travelling.
