HACKNEY AND CITY FEASIBILITY PROJECT

THE PROJECT

Resources for Autism and Hackney & City Councils are delighted to be undertaking a feasibility study for a potential all-age Autism Hub.

An Autism Hub could provide valuable advice, information and support, like a 'one-stop shop.'

Resources for Autism will be researching what the community would like an Autism Hub to look like. The findings from this will be pulled together in a report to make local suggestions for the future.

**Scan the QR code to have your say
and your chance to win a £50 voucher!**

We are looking for individuals with lived experience. If you are Autistic, or a Parent/Carer of an Autistic person, we want you to help us shape Autism services in Hackney and City.
