Over the last month Stormont House has been working with the Tree Council to plant trees to enhance our natural habitats and create more green spaces in the school grounds.

10M have become Tree Ambassadors and have planted a mini orchard of 5 apple and quince trees.

10M will care for the trees and educate the rest of the school about the importance of trees and the benefits they bring to everyone.

7NG planted a hedgerow of 80 trees on the board of the school playground and Hackney Downs. Although very small at the moment, these will grow to create a habitat for wildlife, a natural screen and beautiful flowering bushes to enhance our school environment.

Friday 21 March

2025

**RED
NOSE
DAY**

**World
Down
Syndrome
Day**

Students may come to school wearing red clothing or odd socks on Friday 21 March. This is to celebrate Red Nose Day and World Down Syndrome Day.

If your child chooses to wear non uniform, please send them in with a donation of £1.

We will also be holding a sweets and treats stall at the end of school day to raise money for Comic Relief, so your child may bring in some extra money.
